

JUNIOR PROFESSORSHIP IN BEHAVIORAL ACCOUNTING

Research Seminar Master's Thesis

Organizational Matters

The research seminar for master's theses is carried out in cooperation with the Chair in Accounting and Controlling.

The master's thesis is written within the lecture period. All students present their work in the research seminar (30-minute presentation followed by a discussion). The research seminar takes place before the thesis is submitted. The exact date will be communicated via mail.

Please use this form (https://ba.ovgu.de/ba_media/PDF/MT+Application.pdf) to apply. Your documents have to be submitted until March 21st, 2022.

Topics

"Compensation of DAX-40 board members - Overview and discussion of the current incentive systems."
